Chronic Wasting Disease (CWD) is a fatal disease of deer, elk and moose. Special regulations below were formulated to decrease the spread of the disease. Details about CWD, where it exists in Wyoming and testing for CWD can be found at <http://wgfd.wyo.gov>

The Wyoming Game and Fish Department will be collecting tissue samples at various check stations and meat processing facilities for CWD prevalence. Hunters wishing to have their animal tested outside the Department's surveillance program may have an animal tested at the Wyoming State Veterinary Lab (WSVL) in Laramie for a fee. Hunters need to contact the WSVL at 307-766-9925 for testing details and cost.

The Wyoming Game and Fish Department and public health officials recommend not eating any animal that is obviously ill and wearing rubber/latex gloves when field dressing an animal as a general precaution against all diseases.

**TRANSPORTATION AND DISPOSAL OF DEER, ELK AND MOOSE TAKEN FROM CHRONIC WASTING DISEASE (CWD) HUNT AREAS WITHIN WYOMING.** It shall be the purpose of this section to regulate the transportation and disposal of potentially CWD infected deer, elk and moose carcasses to

Information about human safety in occupied grizzly habitat and proper storage of food and other attractants is available from Regional Offices and Cheyenne Headquarters, U.S. Forest Service Offices, and the Department's website at <http://wgfd.wyo.gov>. Regulations concerning human activities in occupied grizzly habitat and food/carcass storage can be obtained from the Forest Service. - Transport illegally taken wildlife across state lines; such transportation is a violation of the Federal Lacey Act.
- Place any bait for the purpose of taking a big game animal or knowingly take a big game animal by the use of bait.

to properly dress and care for any big game animal you have killed, and, if the carcass is reasonably accessible, within forty-eight (48) hours to take or transport the carcass to your camp, and there properly care for the carcass is prima facie evidence of a violation.

- Abandon meat from a big game animal or game bird at a meat processing plant. Unless there is an express agreement between the processing plant and the person providing otherwise, any person leaving meat from a big game animal or game bird at a meat processing plant for more than forty-five (45) days is prima facie evidence of a violation if written notice of the expiration of time has been attempted by the processing plant in accordance with rules and regulations promulgated by the Game and Fish Commission.
- Carry a firearm with a cartridge therein or take any wildlife while intoxicated or under the influence of any controlled substance.

**RETENTION OF EVIDENCE TO IDENTIFY SEX, SPECIES AND HORN OR ANTLER DEVELOPMENT OF BIG GAME ANIMAL HARVESTED.** Any person who takes any big game animal in a hunt area where the taking of either sex, species, or antler or horn development is controlled or prohibited by regulation shall comply with this section while said animal is in transportation from the site of the kill to the residence of the person taking the animal, or delivered to a processor for processing.

Only twenty-five (25) pounds from any one (1) big or trophy game animal may be exported from the state except as otherwise provided; the part to be exported from the state is of a nonedible trophy or hidelike nature and properly tagged with a Wyoming interstate game tag; the big or trophy game animal was legally harvested by a nonresident and is tagged with a Wyoming interstate game tag.

**SHIPPING GAME ANIMALS WITHIN WYOMING.** No person shall ship, transport, or receive for shipment or transportation within Wyoming any game animal, game bird, or

any part thereof, unless tagged with a Wyoming interstate game tag, or unless the transportation is by a person accompanying the carcass of a big or trophy game animal who is in possession of a proper coupon or the transportation is by a properly licensed game bird or small game hunter in possession of not more than his daily bag or possession limit.

No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife, or by providing other aid to any person taking the wildlife. Nothing in this subsection shall apply to the use of any aircraft by governmental agencies, their employees, contractors or designees performing any lawful duties. No person shall take any wildlife with the aid of or by using any artificial light or lighting device except that predators may be taken with the aid of an artificial light or lighting device by:

(i) A public officer authorized to control predators;

(ii) A landowner, resident manager, or person with the landowner's or a resident manager's written permission, on land under the landowner's control for the protection of his property.

It is prima facie evidence of a violation if a person uses an artificial light in an area that may be inhabited by wildlife while having in his possession and control any device for taking wildlife. Nothing in this section shall prohibit the hunting on foot of raccoon with the aid of a handlight, provided the hunter is accompanied by a raccoon hunting dog and, if hunting on private lands, has the written permission of the landowner or his agent.

**USE OF AIRCRAFT TO SPOT OR LOCATE WILDLIFE.** No person shall use any aircraft to aid in the taking of any Wyoming wildlife, except predatory animals, whether by spotting or locating the wildlife, communicating with any person attempting to take the wildlife, or by providing other aid to any person taking the wildlife within twenty-four (24) hours of being airborne. This shall not apply to commercial, commuter or other aircraft used for the sole purpose of passenger transport.

**WILDLIFE DAMAGE MANAGEMENT STAMP.** The Wyoming Legislature created the Wyoming Animal Damage Management Board to manage rabid wildlife, mitigate damage caused to livestock, wildlife and crops by predatory animals, predacious birds and depredating animals, and protect human health and safety. The legislation developed several sources of funding for the Board to carry out its responsibilities including the creation of a WILDLIFE DAMAGE MANAGEMENT STAMP. The fee for this stamp will be established annually by the Animal Damage Management Board. Those interested in funding the

activities of the Board may voluntarily purchase the stamp at all Wyoming Game and Fish Commission license selling agents, at Regional Offices and at Cheyenne Headquarters. Purchase of the stamp is not mandatory, but does provide sportsmen a voluntary means to fund predator management.

**WILDLIFE VIOLATOR COMPACT.** Wyoming is a member of the Wildlife Violator Compact. The Compact enables a violator from any state that is a member of the Wildlife Violator Compact to accept a wildlife citation and proceed on his way without being required to post an appearance bond unless the violation requires **MUST APPEAR** and **NO BOND ACCEPTED**. The Compact recognizes the suspension of wildlife license privileges of any person in his home state whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at (307) 233-6413.

**WIND RIVER RESERVATION.** Only non-Indian owned, fee title lands are open to the taking of wildlife with a Wyoming license. Land status is complicated and lawful access must be investigated thoroughly. Sportsmen are advised it is their responsibility to determine land status prior to entering these areas.

**ACCESS YES - DID YOU KNOW EVERY \$1.00  
DONATED = 4.2 ACRES OF HUNTING AND FISHING  
PUBLIC ACCESS!**

The Access Yes Program provides for a voluntary contribution from hunters and anglers used exclusively for providing public hunting and fishing access on private lands. Hunters and anglers can donate any whole dollar amount to Access yes when they purchase or apply for licenses. Donations are used to increase public access to private lands and inaccessible public lands. The Access yes Program was established in response to numerous requests that the Game and Fish Department help address the difficulties of finding places to hunt and fish. Donating to the Program does not provide or imply access to all private lands in Wyoming.
